The Yorktown Centennial.—Payton S. Colos, Grand Master of Masons in Virginia; William B. Paces, Grand Secretary; and F. A. Reed, Grand Captain General of Knights Templar, have just returned from Yorktown where they have been in consultation with Senator Johnston, chairman of the Congressional Committee; Colonel Greathall, of the U. S. Army, the engineer in charge; Quartermaster Major T. Cass Perry, and Lieutenant F. T. Wilson, of the War Department, with reference to the coming ceremony of the laying of the corner stone of the monument to be erected to commemorate the surrender of Lord Cornwallis to the allied forces of France and America on the 19th day of October, 1781.

The result of the conference was highly satisfactory to the distinguished representatives of the Masonic Fraternity, and arrangements completed which promise the greatest comfort to the assembled Masons and Visitors observable in camp life.

It is expected there will be about 6,000 Masons present.

The entire satisfactory conditions on the part of the government will be in their hands, they having full charge of the 15th of October, the first day of the grand celebration.

There are already many military men daily visiting Yorktown, arranging for the accommodation of their commands. Among other things, Thursday were Colonel Parke, of the 1st Va. Cavalry, and Colonel Ford and Captain, of the 9th Maryland.

Extensive preparations are being made by private parties to entertain the immense throng of visitors which will be in attendance. Several large pavilions, eating and lodging houses are in process of erection.

The Grand Officers represented express themselves as under obligations to the representatives of the United States Government, they met for the kindly courtesies extended them during their visit to Yorktown.

THE HEBREW NEW YEAR.—Rash Hashana, the Hebrew New Year, commenced last night at sundown and will continue to-morrow, the day has been religiously observed by Israelites all over the world. It stands second only to the Day of Atonement in importance in the Hebrew calendar. It begins on the evening before the first day of the seventh month, Tishri, in accordance with Leviticus xxiii, 34. Formerly all Hebrews celebrated two days, but now the reformed observe but the first. The reformers take the ground that in the ancient times the coming of a holiday was generally announced by heralds, who went from town to town notifying the children of Israel that the time had arrived. In many instances it is claimed it was impossible to reach the more distant towns until too late for the first day, and in order that all should celebrate at least one day together the rabbis are said to have ordained the keeping of two days. The devout and orthodox Hebrews, however, still cling to their ancient customs and observe the second day with the same solemnity that they observe the first. The officiating ministers wear white vestments, indicative of innocence and purity, and the main feature in the ceremonies is the blowing of the shofar, or ram's horn, which is to remind the devout Israelite of the creation of the universe, and makes known to the world that Israel is proclaiming the righteousness and justice of God, and warning man that death is nigh and the time for repentance of sins is at hand. The Hebrews of this city closed their places of business last night and will not open their again until sundown to-morrow. Services were held in the Synagogue yesterday evening and at 9 o'clock this morning. In consequence of the new Sabbath, when no manual labor is allowed, the blowing of the ram's horn was omitted in the services of the Synagogue in this city. After the services yesterday evening the custom of wishing all friends and acquaintances a "Happy New Year" was observed.

AN OUTRAGEOUS AFFAIR.—Last night about 10 o'clock, Officers Pat Hayes and Henry Crump were informed by a colored woman named (Ella) Jackson, that a woman was lying in Fries's alley in an unconscious state. The officers repaired immediately to the place designated, and found a colored girl lying in the back of the Presbyterian chapel, on Live street, helplessly insensible, in an almost nude condition, with her hands and feet tied, and her person outrageously abused. The girl, who was unable to stand upon her feet, or utter a word, was carried to the station house, where she remained unconscious until this morning. At 11 o'clock to-day she had a hearing before the Mayor. She stated that her name was Dilliah London, that she and Fannie Boston, also colored, were together last night, when they were approached by three young white men; that Fannie went off with one and she went up the alley with the other two; that one of the young men drew from his pocket a bottle of whiskey and gave her some; that after drinking a good deal of the whiskey she didn't know what happened. The girl was locked up for further examination.

PERSONAL.—The Warrenton Index says: Miss Kate Dorsey, of Alexandria, a guest of Mrs. Foreman, leaves on Monday next.

F. C. Brooke, charged with cutting young Finks at the Warrenton Springs, some weeks since, has been discharged, the evidence proving him innocent of the charge.

Major W. W. Thornton, of Prince William county, has been dangerously ill for some days, but at last is improving.

The Masses Gazette says: "Major Geo. Whittington arrived here Thursday morning last on a visit to his brother. His friends, of whom George has a host of them here, were exceedingly glad to see him, and he was remarkably well and as good as telling against him at all. It has been some time since the people of this community have had an opportunity to see his jovial face. He will return to Washington city sometime next week."

PROCLAMATION.—In conformity with the proclamation of the President of the United States and in accordance with the expressed sentiment of our people that Monday next, the day of interment of the remains of the late President, should be observed as a day of humiliation and mourning, I hereby recommend and request that the citizens of Alexandria abstain from all secular pursuits on that day; and in further conformity with the President's proclamation, would recommend that the people assemble on that day in their respective places of Divine worship, "there to render alike their tribute of sorrowful submission to the will of Almighty God and of reverence and love for the memory of the late chief magistrate."

THE HARBOR OF ALEXANDRIA.—Mr. Geo. W. Fisher, President of the Commercial Exchange, has received a letter from Mr. F. C. French, Consul at Baltimore, similar to that received at the Custom House a few days ago, asking information as to port charges, depth of water near the wharves and in the channel of the river at this port, rates of towage, pilotage, &c. The information, as has been stated in the Gazette, is wanted for ship brokers of France, who desire to ship lumber from Alexandria for bridge building and other purposes, if they can do so cheaper than from other ports. Mr. Fisher, after careful enquiry, has sent to the Vice Consul the following: "Towage to Kettle Bottoms, 7 cents on registered tonnage; pilotage on the river for vessels of 15 feet, \$2; more than 15 feet, \$2.50; pilotage down the river for vessels of 15 feet, \$1.75; more than 15 feet, \$2.25; no compulsory pilotage or towage to the mouth of the river; deckage \$2 per day; no port warden charges; depth of water at the wharves 43 fathoms; draught of water on river, the shallowest point at low tide, 21 feet." This showing is said to be very favorable to Alexandria over other ports.

THE MARKET THIS MORNING.—The market this morning presented about the same appearance it did last Saturday. The supply of vegetables and fruits on hand was not unusually large. Prices were higher and there was a good deal of complaint on the part of buyers. The best articles sold about as follows: Peaches 60 cents per peck; pears 80 cents per peck; apples, eating, 50 cents per peck; cooking 20 cents per peck; grapes, Delaware, 15 cents per bushel; Concord 10 cents per bushel; tomatoes 30 cents per bushel; cabbage 10 cents per head; sweet potatoes 10 cents per bushel; 24 cents per peck; onions 50 cents per peck; egg plants 30 cents a peck; butter 12 cents per pound; chickens 40 cents per pair; eggs 20 cents per dozen; butter 30 cents per lb. fish—Shoephad 30 cents a piece; trout 25 cents a piece; white perch 20 cents per bushel; yellow perch 25 cents per bushel.

POLICE NEWS.—The Mayor had before him this morning a young man for disorderly conduct: Wm. Douglas, a colored, for being drunk and disorderly on the street, and Dilliah London, the colored girl found in Fries's alley last night. The young man was fined \$5 and discharged; Wm. Douglas was fined \$5, and in default of the payment of said fine, he was committed to the chain gang for 30 days; the London girl was locked up for a further hearing.

Alfred and Eliza Brown, both colored, were before Justice Whittlesey this morning, charged with obscene and scandalous language towards Alice Russell, also colored. The two women were dismissed with a reprimand.

A DAY OF HUMILIATION AND PRAYER.—Monday next, in accordance with the proclamation of President Arthur, will be observed in this city as a day of humiliation and prayer. The Mayor has issued a proclamation requesting that all secular business be suspended and that the people assemble in their respective places of worship, there to render alike their tribute of sorrowful submission to the will of Almighty God and of reverence and love for the memory of the late President Garfield.

The Grand Exchange, the Corporation and Federal offices, and the commission houses, and all the other places of business will be closed. The post office will observe Sunday hours. The banks will be closed, and no business done on Monday next will be paid on Tuesday. During the funeral of the President, which takes place at Cleveland, Monday, the Town and other bells will be tolled.

MASONIC BANQUET.—At a meeting of Old Dominion Commandery, Knights Templar, last night, the Templar degree was conferred upon eleven candidates from Warrenton. The ceremonies were followed by a grand banquet, at which toasts were drunk and appropriately responded to. Among the speakers on the occasion were R. E. Withers, Ex United States Senator; Payton S. Colos, ex Grand Master of Masons in Virginia; and F. A. Reed, ex Grand Master of Old Dominion Commandery and Grand Captain General of Knights Templar in Virginia.

PUBLIC SCHOOLS.—The Superintendent of Public Schools requests the publication of the following order:

OFFICE SUP'T. PUBLIC SCHOOLS.
ALEXANDRIA, VA., Sept. 21, 1881.
To the Teachers and Pupils of the Public Schools:
The President of the United States having requested the observance of Monday next as a day of humiliation and mourning there will be no session of the public schools on that day.
RICHARD L. CARNE,
City Superintendent.

Mr. Sweeney, a well known milkman, went to the residence of Mr. Geo. R. French, on Washington street, early this morning, to deliver milk. Upon entering the gate he was attacked by a deer kept in the yard. For protection Mr. Sweeney grasped the animal by the horns, and a struggle ensued lasting over an hour. The fight, in which Mr. Sweeney, who is an old gentleman, was quite badly injured about the legs, besides having his clothing considerably torn, was only terminated by the interference of two policemen who happened to pass at the time.

THE REFORM CLUB.—An interesting meeting of the Alexandria Reform Club was held last night. Rev. Dr. Poulson, of the M. E. Church, delivered a short, feeling address on the death and burial of President Garfield. The choir of the club then sang, in excellent style, the hymn, "He is gone." After the singing Dr. Poulson made a temperance speech, which was followed by more music, vocal and instrumental. The large crowd present was entertained until nearly 10 o'clock.

CELEBRITY AND ITS USES.—ARE NOW MATTERS OF GENERAL INTEREST. And are attracting much attention. Both from Scientists and Medical men.

The following Article will be read with great interest. Especially by Surgeons from Headache, Neuralgia, Nervousness, Paralysis and Indigestion.

Celery has only come into public notice within the last few years as a nervine; but scientific experiments and experience have proved beyond a doubt that it controls Nervous Irritation and Periodic Nervous and Sick Headaches to a marked degree.

Just a combination of the EXTRACT OF CELESTINE AND CHAMOMILE, which has been recently introduced to the profession and the public by myself, has produced such marvelous results in curing nervousness and headache, and especially nervous and sick headaches, neuralgia, indigestion, and sleeplessness and nervousness, and will cure any case where no organic disease of the brain or spinal cord exists. Hundreds of cases of many years standing have been cured. No matter how chronic or obstinate the case may be, a permanent cure is morally certain. This statement is made after years of experience in their use in the general practice of medicine.

These pills are also valuable for school children who suffer from nervous headaches, caused by an overworked brain in their studies, and for all classes of hard brain-workers, whose overtaxed nervous centers need repair and sedation. Nervous tremor, weakness and paralysis are being cured by these pills. They correct constipation, but are not purgative.
